To Whom It May Concern,

As part of our fundraising effort, Forest Lake School is holding an Art Auction of our students work on Thursday 22nd June. Our wider school community have the opportunity to view and purchase creative collaborative pieces of art.

We would like to formally invite a representative of your company to attend the evening, starting at 6pm with the auction starting at 7pm. Nibbles are available on the night.

All proceeds raised from the evening are going towards interactive outdoor musical sculptures that will be put into our playgrounds. (examples shown below). Perhaps you are looking for some great art pieces in your place of business, or would just like to come along to support a great cause.
