9th Annual Youth Exhibition

On 16th August at Trust Waikato, the students of the Exploring Art Techniques classes (Mon, Tues, and Thurs. 4-5.30pm) celebrated the opening of their 9th Annual Art Exhibition. Together with a very supportive crowd of parents, caregivers, grandparents and siblings, a very happy time was had by all.

The Exhibition covers all the work carried out by the students in the last year since 'lockdown' ceased and we were able to re-group. Every student has at least one piece of work in the exhibition. The work presented includes Celtic representations, landscape painting, imaginary work based on shells, transformations of design motifs, perspective drawing and some individual expressions of art. As always there has been a strong emphasis on natural life forms.

The exhibition is in the Next Level gallery until Sat. 10th September.
